MBI Chair Report - January 2017

Tradition 1: *Our common welfare should come first; personal recovery depends upon OA unity.*

Happy New Year!

The January 5th VOR lesson is on Tradition One. I could not find better words than these to share on this tradition: "The only message I can share is my own recovery. I do not need to have everyone recover 'my way'. You need the freedom to recover 'your way.' The only thing we need to have in common about our recovery lies within the 12 Steps and the 12 Traditions. We cannot legislate recovery; we cannot even accurately define recovery, but we recognize it when we see someone living it. Let us rejoice when we see fellow sufferers recovering in OA, thankful they have found their way. Let us be willing to try a different approach if ours is not working. Let's be open-minded and non-judgmental. The program is broad enough for all of us to do whatever is necessary." VOR, January 5.

When I read these words, I feel like taking a deep breath and relaxing into their message. My recovery is an evolving way of being with physical, emotional and spiritual aspects. I am deeply grateful for the sharing of recovery I hear in meetings and from OA friends and sponsors.

I cannot say that I completely understand this tradition. When I came into OA, I was only concerned about myself and knew, without a doubt, that I was powerless over food and tired of not feeling good. Over the years, I

have become more aware that my recovery is not the same as everyone's recovery. I have become more respectful of others who have a different food plan. I can understand that our common welfare SHOULD come first. But, the second part of this tradition —"personal recovery depends upon OA unity"— is harder for me to comprehend. The best that I can understand this, at this point, is seeing that if we don't have unity, perhaps OA will not be able to thrive and attract those who need what we have found.

OA Unity Day is coming up. Our local Unity Day gathering is being hosted this year by Cape Cod and South Coastal MA Intergroups. "This day recognizes the strength of the Fellowship worldwide. On the last Saturday in February, at 2:30 PM EST, OA members pause to reaffirm the strength inherent in OA's unity."

This event will take place on Saturday, February 25, 2017 from 1 to 4 PM. Registration will open at 12:30 PM. It will be at Beth Israel Deaconess Hospital, 275 Sandwich Street, Plymouth, MA. There will be four speakers from Intergroups in our area and time for group sharing. At 2:30 PM, the group will pause and hold hands as we connect in spirit with OA members around the world, and pray together the OA Prayer. **Bring a friend. All are welcome.**

Our next MBI meeting is on Saturday, January 21 at 10:30 AM at Lawrence Memorial Hospital, in the Gallagher Room. Come and join us for service and

Webmaster REPORT – January 2017

On December 19, we emailed 253 newsletters to our subscribers. I checked and we had not had any new subscribers since October so I tested the subscribe button again it was not working. However Sainly Solutions fixed the problem quickly and it is now working again.

The MBI Bylaws have been updated on the site as a menu item of About MBI. The MBI Informational Brochure has also been updated and is in a link on the About MBI page. It could also be a menu item if the board would like that.

OFFICE COMMITTEE - January 2017

The office has been running well. Pat went on vacation (unpaid) from just before Thanksgiving to Dec. 5th. I was able to get

to Arlington to pick up the mail once during that time so the checks for November got into the bank on time. I did monitor the calls that came in to the phone line and returned some messages; Pat handled the rest upon her return.

12th STEP REPORT – January 2017

As the New Year gets underway, I’m reminded that a key program tenet is service, and that we can’t do it alone. We need our fellows and we need HP. I spent too many years trying to do it all by myself and not doing very well. Things are much better now that I surrender and let myself work with people. In that regard, to some degree I have been trying to do the 12 Step Committee by myself. Starting in January, I’m going to host monthly meetings of the 12 Step Committee with a phone in option, and if anybody’s interested in helping out, even in a small way, and being part of those meetings, let me know. I’m thinking Sunday evenings. I had planned to set up a workshop for January on Step 1. I recognize that my life is unmanageable and that I’m powerless alone so I will surrender and not do a January workshop but will combine Steps 1 & 2 in February. You will hear from your Designated Downloaders as those plans get firmed up.

Yours in Surrender & Fellowship, Dave D.
12th Step Chair (Arlington)
