MBI CHAIR REPORT - June

Concept Six: The World Service Business Conference has entrusted the Board of Trustees with the primary responsibility for the administration of Overeaters Anonymous.

Spiritual Principle: Responsibility.

While our 9th Tradition states that "OA, as such, ought never be organized", it also allows that we members "may create Service Boards or Committees directly responsible to those they serve."

OA exists in the world in a legal sense and in a physical (members, group/intergroup meetings and Region assemblies) and spiritual sense (fellowship, sponsorship, recovery). OA, Inc. is a non-profit "corporation with paid staff and other expenses". A group conscience of the entire worldwide fellowship of OA is not practical to "administer the business affairs of OA, Inc." Significant consensus of a worldwide fellowship might take months or, not ever be reached at all. Concept Six addresses this issue and notes that "the needs of the group as a whole may sometimes be best served by a smaller group with a well-defined purpose."

So, from the approximately 185 delegates at the World Service Business Conference, 17 are elected to serve as trustees, comprising "the Board of Trustees" or "the Board". Rather than putting every administrative task before a body of 185, "the Board" accepts responsibility in order to ensure that the "business" of OA "flows smoothly and that issues are addressed in a timely manner." Another responsibility of "the Board" is "to oversee the administration" of our OA corporate entity."

Trustees are elected by the OA member delegates from around the world, at the annual

World Service Business Conference. Potential trustees are OA members who submit applications and who meet specific qualifications or "criteria." Potential trustees share how they qualify for OA membership and they outline the service they have done for OA and in other areas of their lives.

One trustee is elected for each of the 11 Regions, however, all 185 delegates vote on the trustee from every region, not solely for the potential trustee from a specific Region but for each and every one of them. Six General Service trustees are also elected and their responsibility as a "GST" is "to oversee the business aspects of OA, Inc." For example, "The Board" currently has responsibility for an action plan aimed at consolidating resources and reducing the number of trustees to 12.

I identify to some extent with accepting responsibility for administrative service that allows business to flow more smoothly. At the Region 6 assembly in September 2018, I was nominated as a "rep" to serve on the Reference sub-committee of the "WSO Bylaws committee". Following a very close vote with 3 other candidates, I was elected as an alternate Rep to the Reference sub-committee. Well, life happened, the Rep could not be at the "WSBC" and the Region 6 chair asked me to move from alternate Rep to Rep. I accepted the responsibility and am all the better for it.

I had some fear but I invited my HP into my thoughts, words and actions. I worked my program and attended the many sub-committee meetings which convened before and after the day long WSBC business meetings. I accepted responsibility and realized that if we 18-20 sub-committee members could specifically address some of the new business motions, then the 185 delegates, including me, could move forward

with other issues for the good of OA as a whole. I am beyond grateful that I can accept responsibility and contribute to the completion of some of the business of OA.

In grateful service, Cathie B.

12 Step Report May - 2019

In June we begin thinking about the sixth step which is being willing to have higher power remove all our defects of character. I think this step happens to one degree or another in each of the steps. On a daily basis we notice defects as they appear and repeatedly reappear. We change with the support of higher power, program, program fellows, ourselves, and everyone else in our lives. We change as we are willing to surrender. On June 22 a combination six and seventh step workshop will be held in the Johnson room at Lawrence Memorial Hospital from 1030 until noon. There will be 2 speakers, and open sharing after each one, as well as readings from the new edition of the OA 12 and 12. Copies will be available to read from.

MBI Bylaws Committee Report April 2019

Not much to report this month. If there are changes from WSBC that we need to make we will do them following proper procedure. A question has arisen about our upcoming process and requirements for those we choose to send to Region 6 Assembly and WSBC. Should we change what we do? Since we nominate at the May meeting and elect in June, any changes would not take effect immediately, but it is something to think about.
Respectfully submitted,
Jean B., bylaws chair

PODCASTS AVAILABLE ON OA WEBSITE:
Step Six "Were entirely ready to have God remove all these defects of character."

Step Six workshop speakers share their individual stories of recovery and the vital part Step Six, "one of the most difficult of the Twelve Steps" (*The Twelve Steps and Twelve Traditions of Overeaters Anonymous*, p. 53), plays in that recovery process. One of the speakers discusses why she found it so hard to be entirely ready to part with her defects, explains the concept of the payoff that kept her holding on to them and the key of an attitude of willingness: "Having such an attitude we cannot fail" (*The Twelve Steps and Twelve Traditions of Overeaters Anonymous*, p. 58). The other speaker provides guidance on how to take our Fourth Step defects and resentments and discover the assets many of these defects actually were until our compulsive eating turned them into defects. She helps explain how the Steps help us recapture the assets that were part of ourselves, so we can live happy, joyous and free, without the fear that we will be nothing without these defects.
