MBI Chair's Report

April 2013

Hello all,

This is a busy time for Massachusetts Bay Intergroup representatives and delegates. April 14 we held our regular monthly meeting. The 2014 region six convention is in the early planning stages. April 20 is the region six spring assembly. April 29 through May 5 is the world service business conference. There are plenty of activities to keep us busy.

Massachusetts Bay Intergroup would like to designate one person to be responsible all year long to identify the date and location of various health fairs that may be scheduled in our area. They would be responsible for getting the name of the contact person for the health fair and getting the word out to the fellowship. We have found that identifying these activities is somewhat elusive for us. If you or somebody you know would be interested in serving in that capacity please contact us at info@oaMBI.org.

We have been discussing possible actions to take to increase the people attending our meetings so that we might do better at keeping pace with the increasing numbers of overweight people. There have been a number of suggestions that have been made that might prove helpful in the future and each will be thoroughly investigated. **If you have some ideas we would certainly appreciate your input at info@oaMBI.org.**

PROFESSIONAL OUTREACH/YOUNG PEOPLE'S COMMITTEE

April 2013

Committee members are contacting two organizations of health professionals for young people, the Massachusetts School Nurses Association, and the New England College Health Association; and listing high schools where MBI has meetings; and reviewing World Service guidelines on Young People's meetings.

Again this year, the committee will visit each MBI meeting to show **MBI's Professional Outreach packets**. We encourage members to get packets to the professionals in their lives, either by taking them a packet, or by

mailing an anonymous request for the OA office to send them a packet. Salmon-colored request forms will be distributed for members to mail to the office, or you may call the office at (781) 646-0323, to request that they send a packet.

REMEMBER, WITH OA's HELP, and BY HELPING OA, we change "middle-age spread" to "middle-age-(and all ages)-spread-the-word-about-OA!"

Respectfully submitted,
Alice
