

Chairs Report – March 18, 2012

It was another productive intergroup meeting, the 12 Step Committee is making its final preparations for their sex in recovery work shop. The Professional Outreach & Public Information Committees were making preparations for getting volunteers to attend the Health Fair that is being held in Woburn, MA as well as following up with their regular committee agendas.

We officially have a new webmaster his name is Brandon, from Woburn. Again I'd like to thank Anne from Cambridge for her many years of service as the MBI webmaster, your years of service to MBI are greatly appreciated and Brandon for his willingness to take on this service position.

MBI is going to be able to send 6 delegates to the Region 6 Spring Business Conference in Albany, New York. The delegates that are registered to attend are:

Beany – Woburn
Lisa F. – Andover
Cathy B. – Lowell
Ron – Medford
Bobbie – Waltham
Kelly - Arlington

Also one of our new MBI delegates Marie – Reading, will be attending as a visitor and volunteer if she is needed at the conference. Thank you all for your willingness to do service at higher levels and attending Region 6.

Thank you to Pat C. for continuing to patiently review the by-laws and for challenging us to review the portions that apply to each individual delegate as well as the various committee chairs to see where improvements in the by-laws or language changes need to be made.

Pat has also volunteered to take the list of MBI meetings that is sent to the Chair each year, and verify which meetings are active and which meetings no longer exist. That's quite an undertaking, thank you for your willingness.

Thank you all for your willingness to do service at Mass Bay Intergroup.
Yours in Recovery,
Beany

The revisions include more inclusive language, an emphasis on abstinent sponsors, added focus on *Lifeline* magazine and updated guidelines for collecting Seventh-Tradition contributions.

In addition, the new meeting format includes the *Abridged Tools of Recovery*. This is a board-approved abridgement that provides two or three-sentence descriptions of each tool, taken directly from *The Tools of Recovery* pamphlet.
